"A friend is worth a fortune but an enemy is priceless." - Harry Rosenberg

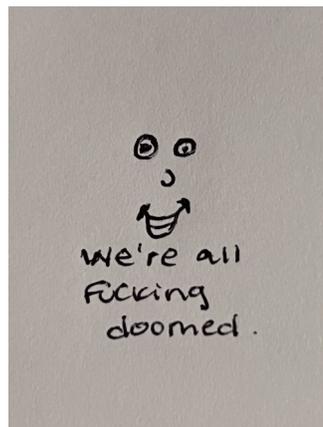

Hello, World....

We here at harryrosenberg.net are excited to usher in the next era of online journalism. The goal of this newsletter is a simple one - prove to the world that our cause and our mission is just. What is this mission, you ask? Well.... Let's just say that it involves trust. And loyalty. Let's say that it is the start of a movement that will make things better and not worse. Let's say that this is a moment in time that will prove to the world once and for all that the things that we believe in are good. Yep. That's pretty much what's happening. So yeah.... Let's just say it's totally awesome.

The Official 2023 Fish Sandwich Rankings

Fuck how does this work

April 17, 2023 at 3:29 PM

OFFICIAL 2023 FISH SANDWICH RANKINGS

1. taco john's flounder tacos
2. long john silvers fish sandwich
3. burger king big fish sandwich
4. wendy's panko fish sandwich
5. Arby's kings hawaiian fish deluxe
6. mcdonald's filet o fish

The official 2023 Fish Sandwich Rankings are here! Taco John's takes spot number one in their first ever foray into the contest. No floundering there! Long John Silver's cannot be too pleased with their silver medal, but this finish is by no means bad—or should I say, bass? Rounding out the top three is the Burger King Big Fish Sandwich. Big Fish or Big Flop? Thanks to all of our competitors this year, and we'll see you next Lent!

Interview With a Customer

Hi, how are you?
I'm good. I'm good. Did you go to Kent Roosevelt? I graduated from there in 1956. There's a basketball trophy in the case there. 1956. We went to the State Finals that year. Lost in the championship game. It was fun making it there. I remember Coach Anderson sitting us down and

telling us: "You boys are gonna remember this day for the rest of your lives." That was back in the day before they split up the rankings. It was Class A. We played up in Cleveland in the Bird Arena. Now it's Class A and Class AA. That arena had seen better times when we played in it. I believe that they've fixed

it up a bit since my day. Even though we lost, I'll never forget that championship game.
Here's your kettlecorn.

Dear Harry

Excuse me, I have been informed that you have a large share in the oil fields. My client "Mr. Green" is not pleased to hear this. We are a very powerful organization mr rosenberg. We ask you to liquidate your assets immediately and invest in squish-mellows - Mr. Money

Dear Mr. Money,

It should be of no concern to you where I have invested my money. I am not on trial here. I seem to recall reading your name in the news sev-

eral years ago... does the phrase Failure to Control Vicious Dog ring a bell? Oh, no? Fuck you Mr. Money

I miss you babe. You were the best to my son. hes almost 5 now. - lil shawty

Dear lil shawty,

One of the hardest things in a parent's life is letting their child go. Buxton was always mature for his age, so my abandonment of him at your home felt like the only right

thing to do. Does he still play with the empty Elf bars I left him? Haha, remember when he would try to drink the juice? Good times...

Devon's Beer Review

Someone In My Head from Fat Orange Cat Brew Co.

Shocking, small brewery on East Coast makes great New England IPA, who could've predicted? Not I. Despite the disbelief, this beer offers a robust flavor as well as texture (stay with me) hazy IPAs already have a slightly thicker quality, this one falls short of the smoothie texture I've grown to hate but packs in as

much flavor you could hope from those to create a truly cat-tastic experience.

Black Rajah from the Brew Kettle

Want to trick your friends into thinking you're drinking a pint of Jaeger? Buy black IPAs. Black Rajah is a good contender, while maybe the worst of black IPAs out there,

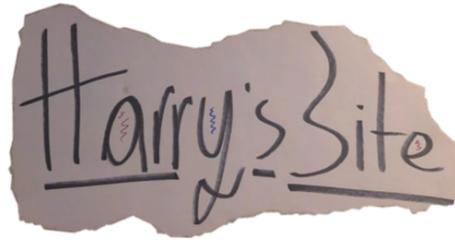

the style is so amazing you won't regret your purchase, just maybe look for higher quality ones. Welcome to your new obscure, slightly out of date favorite!
